

### BMHS Girl Cited as Homemaker

Linda Hammerle has been named the Betty Crocker Homemaker of Tomorrow for 1966 at Bishop Montgomery High School.

Miss Hammerle, an honor student and member of the California Scholarship Federation, won the top homemaker honor on the basis of a written examination administered to all senior high school girls in the nation.

The award is sponsored by General Mills Co. to emphasize the importance of homemaking as a career.

Miss Hammerle is a member of the Math Club and chairman of the Library Helpers Committee.

She is now eligible to compete with other California winners for the state award — which includes a \$1,500 scholarship prize. Winners from each of the states will compete for a \$5,000 scholarship next spring in Washington, D.C.

### Marshals Aid Area Residents

Los Angeles County Marshals working out of the Torrance office served 4,227 summonses and small-claims declarations during 1965, Lt. Hubert Goyen, commander of the Torrance Division, reported today.

Deputies also provided vehicle inspections for 3,692 motorists, allowing them to dispose of their traffic tickets, Lt. Goyen said.

Plaintiffs and cross-complainants were reimbursed to the sum of \$37,039 through the efforts of Torrance and Gardena officers. Fees rendered for these services were placed in the Los Angeles County general fund to help reduce local taxes, Lt. Goyen said.

Rapid increases in population has accelerated the work load to such a degree that figures for 1966 probably will exceed those for 1965, Lt. Goyen commented. He urged all citizens in need of assistance from the marshal's office to contact him at 3231 Torrance Blvd.

### Women Set Observance For Today

The Women's Society of World Service at Central Evangelical United Brethren Church will observe World Service Day today at the 11 a.m. worship services.

The Rev. Ernesto Mellado Prince, minister of the mission church of Ojide, Mexico, will be the guest speaker. He is the brother of Mrs. Elena Frausto, a member of the local congregation. The Torrance church sent a collection of gifts to the Rev. Mr. Prince's church at Christmas.

Mrs. Evelyn Culley, WSW secretary of spiritual life, will preside at the services. The morning service, which will feature special music keyed to the missionary theme, will be followed by a pot-luck dinner to be served in the Guild Hall.

### Torrance Firm To Show Wares

New products now being made by Delf, Inc., a Torrance wood finishing manufacturer, will be exhibited during the 17th annual Western States Hardware, Housewares, Paint, and Garden Supply Show in San Francisco. The show is scheduled Feb. 20 through 22.

The annual trade show is sponsored by the California Retail Hardware Association and is the largest of its kind in the west.

### South High Wins Third In Tourney

South High students Alan Denny and Lee Pearce have won second place in the debate competition at the Claremont Men's College Championship Speech Tournament.

The South High speech team tied for third place in scoring for the individual and team events.

Pat Reis of North High won a superior rating in oratory.

## Nazarene Church Holds Revival Meetings Here

A four-day revival will end today at the Torrance First Church of the Nazarene, 1501 W. Carson St.

General Superintendent Dr. Samuel Young, one of the six highest officials of the denomination is the guest speaker. The Rev. Dr. Young will speak at 7 tonight.

He also will deliver the regular Sunday morning sermon at 10:50 a.m. The Rev. R. Wallis Kornegay, pastor of the church, said special music

is planned for each service. The public is invited.

THE REV. Dr. Young has been a general superintendent since 1948. The Church of the Nazarene has its international headquarters in Kansas City, Mo.

Born in Glasgow, Scotland, of Irish Parents, the Rev. Dr. Young was converted under the ministry of the Rev. George Sharpe, founder of the Nazarene work in the British Isles. As a boy, he moved to Cleveland, Ohio, with his family.

HE COMPLETED undergraduate studies at Eastern Nazarene College and did graduate work at Boston University. He now holds an honorary doctoral degree from Eastern Nazarene College.

The Rev. Dr. Young is the author of several devotional books and numerous magazine articles. His preaching is marked by humor, warmth, and an emphasis on scriptural holiness, the Rev. Kornegay explained.

He also has done extensive research into the life and writings of John Wesley, founder of the Methodist movement. Wesley's life was the topic for a lecture series which the Rev. Dr. Young gave at Pasadena College earlier this week.
